

Does it make sense to spend over \$1,000 more for the exact same casket?

The answer is obviously no. Bismarck Funeral Home and Crematory has always charged less than the competition. Just take a look below and you'll see the difference. Bismarck Funeral Home is proud of the fact that we are competitively priced and provide excellent care and service that you and your family deserve.

Identical caskets. Remarkably different costs.

The caskets below are made by the same manufacturer and stored in Bismarck. Prices as of 6/18/07.
